

WHY DID NO ONE STOP IT NAN?

by Karen Fletcher

Why did no one stop it nan?

Why did they let kids die?

Did they really bomb hospitals nan?

Did the slaughter not make you cry?

Why did no one stop it nan?

Did they deny starving people food?

Why did no one stop it nan?

Did the world not think it cruel?

Did they tell them to leave for safety nan?

Then bomb them when they left?

Why did no one stop it nan?

Did the world not feel bereft?

Did they shoot old men with white flags nan?

Laughing as they watched them die?

Did the world not see the horror nan?

Why did the world not try?

Why did no one stop it nan?

Why did the world not try?
